## ABOUT OUR PIZZAS

Our Artisan Neapolitan and East Coast Pizzas are  
naturally leavened with a "Mother" strain of the starter  
yeast called "Camaldoli" which comes from Naples, Italy.  
Its origin goes back to the 1800's where the first pizzas  
were made. Very few pizzerias in the United States  
make it the old fashion way, using natural yeast, which  
is allowed to ferment over 24-48 hours to develop its  
flavor and unique style crust.

We at Panino's are proud to adhere to the standards of  
the old school pizzerias and the art and craft of the great  
Pizzaiolis who started the legacy over a hundred years  
ago in Naples, Italy - the birthplace of pizza. This legacy  
was later continued in the U.S. with the arrival of  
Italian immigrants in the late 19th century who would  
peddle pizzas in the streets screaming "Ah Beetz" or  
"Two cents a chew".

We vow to carry-on this legacy and provide you with  
traditional style of pizzas from Naples, Chicago and the  
East Coast.. Enjoy!
