ALL OF OUR SAUSAGES ARE HOMEMADE

ABOUT OUR PIZZAS

Our Artisan Neapolitan and East Coast Pizzas are naturally leavened with a "Mother" strain of the starter yeast called "Camaldoli" which comes from Naples, Italy. Its origin goes back to the 1800's where the first pizzas were made. Very few pizzerias in the United States make it the old fashion way, using natural yeast, which is allowed to ferment over 24-48 hours to develop its flavor and unique style crust.

We at Panino's are proud to adhere to the standards of the old school pizzerias and the art and craft of the great Pizzaiolis who started the legacy over a hundred years ago in Naples, Italy - the birthplace of pizza. This legacy was later continued in the U.S. with the arrival of Italian immigrants in the late 19th century who would peddle pizzas in the streets screaming "Ah Beetz" or "Two cents a chew".

We vow to carry-on this legacy and provide you with traditional style of pizzas from Naples, Chicago and the East Coast.. Enjoy!
